

Treasurer Campaign Statement (GSO)

Dear Fellow Graduate Students,

I am Abhinav Koora, and I am excited to announce my candidacy for the position of Treasurer in the GSO. As a fellow graduate student, I am committed to enhancing the financial processes and resources available to support our academic and professional growth.

As GSO Treasurer, I would like to:

1. Make the reimbursement process smoother and more accessible for all graduate students, reducing processing times.
2. Introduce bulk purchasing of memberships that are frequently filed for reimbursement, reducing individual out-of-pocket expenses.
3. Maintain open communication and transparency in all financial decisions and processes.
4. Work towards creating an inclusive environment where every graduate student feels empowered to succeed.
5. Make students aware of all the benefits that GSO provides and help them navigate through the reimbursement process.
6. To Co-ordinate with Budget committee to reduce costs without compromising the quality of services provided.

I am enthusiastic about the opportunity to serve as your GSO Treasurer and to contribute positively to our graduate community. With your support, we can enhance the financial resources and processes that are crucial to our success.

Thank you for considering my candidacy.

Sincerely,
Abhinav Koora
