- Reimbursement funding updates
 - *Originally, the Executive Committee (EC) believed that a second emergency senate meeting would need to be held in order to approve the use of rollover funds to provide for 2022-23 reimbursement requests still in process.*
 - *However, the FSA has processed all eligible 2022-23 reimbursement applications without the need to use rollover funds. No further approval was necessary.*
- Reimbursement reform
 - *The EC continued its conversation on how to reform the reimbursement process. Proposals included:*
 - *Capping the recreation reimbursements for students at \$100 annually*
 - *And including a quiz on applications in order to better educate applicants about the requirements and details of the process.*
- Administrative Manager Interview Process
 - *The EC indicated that it would like to fill the newly-created administrative manager position by August 15.*
 - *The second round of interviews will take place in the coming weeks. EC members agreed to participate in the interview process, along with organization advisors and campus administrators.*

- Status of Assistant Treasurers
 - *The EC considered whether or not the Assistant Treasurers would become redundant once an Administrative Manager was hired. The EC determined that the role of the Assistant Treasurers would likely still be necessary, and that a determination could not be made until next year.*
